

SIXTH: All the rest, residue and remainder of my estate of every kind and description, wheresoever situate and howsoever acquired, which I may own at the time of my death, or over which I may have the power of testamentary disposition, I give, devise and bequeath to the then Trustee or Trustees under a certain Indenture of Trust heretofore executed by me on this 28th day of September, 1966, between myself, as the Grantor, and the Farmers and Mechanics National Bank, a body corporate of Frederick, Maryland, Trustee, to be added to the principal of the trust estate created under said Indenture, and to be held, administered and distributed in all respects as an integral part thereof.

AND LASTLY, I do hereby constitute and appoint the Farmers and Mechanics National Bank, a body corporate of Frederick, Maryland, Executor of this my Last Will and Testament, and do request that it be excused from the necessity of giving bond for the faithful performance of its trust; and I do further authorize and empower my said Executor, in its absolute discretion, to sell at either public or private sale all or any portion of my estate, real or personal, as may be necessary in the orderly administration thereof.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my seal, this 28th day of September, in the year Nineteen Hundred and Sixty-six.

Signed, sealed, published and declared by the testatrix, as and for her Last Will and Testament, in our presence, who, in her presence, at her request, and in the presence of each other, have hereunto subscribed our names as witnesses.
